

Environmental Award

2015

UIM

***Environmental
Award and Special
Mentions***

Your imagination sets the limits

"For the 6th edition, the UIM Environmental Award and Special Mentions allows the environmental leaders, whether individuals or organizations to showcase their most original initiatives and their most successful innovations in term of environmentally friendly technologies. All the candidacies, and not only those of the finalists and prize-winners, embody brilliantly the complete and multi-form face of a nautical industry in perpetual evolution in front of environmental challenges." **Raffaele Chiulli, UIM President**
