Profile/Objective

A highly self-motivated, oceangoing experience and availability to work in team. Always practiced the discipline of swimming and water polo. Last year i became the Regional Champion in the race of 25m of backstroke in Calabria and in the national races i took the 2nd place in 100m breaststroke and the 3rd place in 100m backstroke. Also played water polo for 11 years. For 5 years i played in Serie C against teams from Puglia and Basilicata and with the younger team once went to the National semi-final. Thanks these sports i become a competitive person. For 2 years worked in a warehouse and for one year worked as a lifeguard at the swimming pool and did instructor training, thanks these works i can relate well with the other people. Currently studying at the ISYL-Italian Super Yacht Life- foundation in Viareggio and attending course of two years in "Super Yacht Captain and Chief Engineers".
