Profile/Objective

For the last five years I have been a volunteer for the Croce Verde (health and safety protection). As an ambulance driver. I was employed in various emergencies both within and outside of the Tuscan Region .For the example earthquake in Emilia-Romagna. I also collaborated in the construction of a SAPR for monitoring inaccessible areas. It has taught me to beco me a team player and team builder , also it has taught me to deal with all kinds of people .I am currently studying in I.S.Y.L foundation, I started in December 2015 and will end in December 2017.
