

# At the Monaco Yacht Show 2016

## Programme of events and target audiences

### Wednesday 28<sup>th</sup> September

Activity	Description	Who's it for?
<b>PYA Table-setting competition</b> 10:00 – 15:30  <b>On-board throughout the show</b>	Yachts in the show can enter the annual table-setting competition, where they will have a chance to wow a team of judges with an elaborate table display in accordance with this year's theme (check the PYA website for further details on this at the time). The expert panel of judges will step on-board at a pre-scheduled time on Wednesday 28 <sup>th</sup> . There are some excellent prizes to be won for the best displays. This is a PYA GUEST initiative to promote continuing professional development and standardisation of training for interior crew within the yachting sector.	For interior teams whose boats are in the show, usually headed by the Chief Stew
<b>The role of a Superyacht deckhand</b> 14:00 – 14:50  <b>ACREW lounge, Rascasse</b>	Captain Ian Biles of the Maritime Training Academy will present a hands on training session for deckhands, which will give insight into some of the vital skills they need to know for their future careers on-board.	Deck crew from entry level to 2 years in the industry
<b>Superyacht Toys and Watersports – Managing these safely and dealing with emergencies</b> 15:00 – 16:00  <b>ACREW lounge, Rascasse</b>	Richard Falk from the RYA and Brad Robertson from Superyacht Lifeguard join forces to address safety when using water toys with guests, and lifeguarding skills to use in the case of emergency. This interactive session should not be missed for all those tasked with supervising guests in the water.	Any crew member working with water toys and activities, from entry level through to captain
<b>Sail through your deck qualifications with the PYA</b> 16:10-17:00  <b>ACREW lounge, Rascasse</b>	<p>The Professional Yacht Association (PYA) provides an insider guide on how to prepare for and apply for the range of qualifications needed to progress your career on deck. The workshop will cover the application process for MCA NoE leading to a CoC; Required certificates for application to OOW or Masters, certificate updates, expiry dates and limitations; Sea Service – how to record sea service, good practices, verification, testimonials; Training Record Book (for Yacht Ratings and OOW): guide on how to complete your TRB, do's and don'ts, essential tasks and assessments; Training: prerequisites, guidelines on how to get the most out of your courses, exam expectations.</p> <p>Whatever stage of your deck career you are currently at, the most recent information and updates will be shared about the required qualifications for the next step on the career and qualifications ladder.</p>	Deck crew looking to do their OOW and further their career
